

3/4/5 Blade Installation

FlatJET 52"

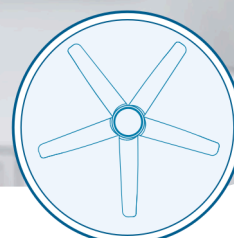

Powerful Cooling. Aerodynamic Blade Design. High-Volume Airflow. Energy Efficient. Whisper Quiet. Remote Control Included. LED Light Available.

Three Blades

Four Blades

Five Blades

Cleverly supports 3, 4 or 5 blade installation so you can choose the perfect style and aesthetic for your space. With five blades included in every fan, you can freely choose between 3, 4 or 5 blade installation options.

High performance cooling thanks to the powerful DC motor paired with aerodynamic fluted blades, effectively moving large volumes of air directly below and around larger spaces - ideal for even the hottest climates.

Moulded aerodynamic blades are crafted from polymer (a high-grade plastic) which are durable, easy to clean as well as being safer and quieter than metal blades.

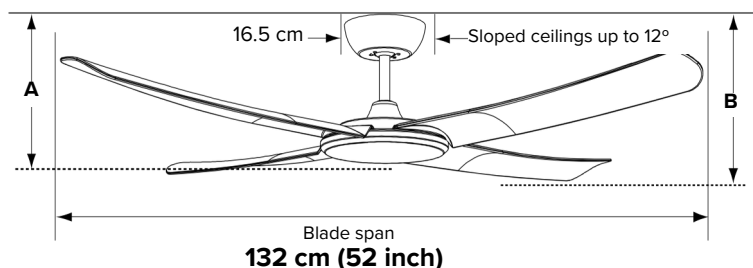

Highly efficient airflow made possible by the energy-efficient DC motor, using only 40W on high and as little as 4W on low so you stay cool for less.

Energy-efficient & dimmable 24W LED Light is available with colour changing technology (CCT) so you can choose between Warm, Cool and Daylight temperatures.

Perfect for both Indoor & Outdoors so you can maintain your decor style from your living room through to your alfresco outdoor area.

The dimmable 24W LED light kit supports Colour Changing Technology (CCT) to toggle between Warm (3000K), Cool (4000K) and Daylight (6500K) colour temperatures.

LED Light Kit

The FlatJET DC ceiling fan has an optional 24W LED Light Kit that is light adaptable and can be added to the fan.

LED Light Specifications:

Power: 24 W

Dimmable: Yes

Colour Temperature(s):

Warm (3000K) / Cool (4000K) / Daylight (6500K)

Lumens:

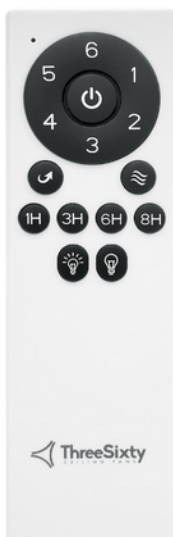

2,375 lm (3000K) / 2,780 lm (4000K) / 2,540 lm (6500K)

Remote Control

The FlatJET DC ceiling fan includes a stylish 6 speed remote control as standard.

- Enjoy 6 speed settings for your ceiling fan.
- Forward and reverse function for year-round comfort.
- Light on/off and light dimming support.
- Natural wind mode for a relaxing sea-breeze effect.

DC Wall Control with Companion Handset

Optional accessory replaces the included remote control and receiver.

- 5 Speeds
- Light On/Off
- Light Dimming
- Isolation Switch
- Companion Handset

SKU: DCW-FLJ

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.

DOWNRODS	NON-LIGHT	WITH LIGHT
