- ✓ **With its sweeping 100" (254 cm) blade span**, the Kirra is more than just a ceiling fan—it's a statement piece. Crafted to command attention, it transforms large indoor spaces into breathtaking showcases of style and sophistication.
- ✓ **Hand-finished timber blades** accentuate the unique natural character of the timber grain and are carved from Paulownia – a light-weight, moisture-resistant and highly renewable plantation timber.
- ✓ **Moves large volumes of air** thanks to the sweeping blade span and aerodynamic blade design, ensuring high airflow volumes ideal for large enclosed spaces.
- ✓ **Highly efficient airflow** made possible by the energy-efficient motor, using only 50W on high and as little as 7W on low so you stay cool for less.
- ✓ **Enjoy whisper-quiet cooling**, thanks to the combination of a silent DC motor and premium timber blades, so you stay cool with less wind and fan noise.
- ✓ **Recommended for indoor use only**, the Kirra ceiling fan with timber blades delivers gentle airflow and a stunning design, perfect for large indoor spaces.

FAN PERFORMANCE

Fan Speed (H:6/M:4/L:1) (Revolutions Per Minute)	90 / 70 / 40 RPM
Energy usage (H:6/M:4/L:1) (Watts)	50 W / 24 W / 7 W
Airflow volume (H:6/M:4/L:1) (Cubic metres per hour)	19,647 / 13,515 / 5,989 CMH
Efficiency (H:6/M:4/L:1) (CMH / W)	393 / 563 / 856 CMH / W
