LED Light

- Stunningly designed** ceiling fan with a focus on modern and minimalist ethos, the Simplicity is available in two finishes and two sizes, includes a 6-speed remote control and also offers an 18W LED Light version option.
- Sweeping and slimline blades** accentuate the small and minimalist motor housing to ensure the Simplicity will blend harmoniously into its surroundings for a discreet and subtle addition.
- Long-lasting & weather-resistant polymer blades** are durable, easy to clean as well as being safer and quieter than metal blades.
- Highly efficient cooling** made possible by the energy-efficient DC motor, using only 31W on high and as little as 4W on low so you stay cool for less.
- Enjoy whisper-quiet cooling**, thanks to the combination of a silent DC motor and premium polymer blades, available in 45" and 52" sizes for small to medium spaces.
- Perfect for both Indoor & Outdoors** so you can maintain your decor style from your living room through to your alfresco outdoor area.
