- 
Make an elegant statement thanks to the Spitfire DC's stunningly crafted polymer timber-finish blades that offer rich textures coupled with a minimalist, understated motor design for a modern finish.
- 
Cleverly crafted all-weather polymer blades offer luxury timber finishes while being easy to maintain, weather resistant and long wearing.
- 
Moves large volumes of air at a moderate velocity for a healthy balance between generalised area cooling and directly below the fan.
- 
Highly efficient airflow made possible by the energy-efficient motor, using only 30W on high and as little as 7W on low so you stay cool for less.
- 
Enjoy whisper-quiet cooling, thanks to the combination of a silent DC motor and premium polymer blades, so you stay cool with less wind noise and fan noise.
- 
Perfect for both Indoor & Outdoors so you can maintain your decor style from your living room through to your alfresco outdoor area.

FAN PERFORMANCE

Fan Speed (H:6/M:4/L:1) (Revolutions Per Minute)	174 / 142 / 90 RPM
Energy usage (H:6/M:4/L:1) (Watts)	30 W / 17 W / 7 W
Airflow volume (H:6/M:4/L:1) (Cubic metres per hour)	13,420 / 10,952 / 6,941 CMH
Efficiency (H:6/M:4/L:1) (CMH / W)	447 / 644 / 992 CMH / W

Light in **Brushed Nickel**

SPD18MW

18W CCT Spitfire DC LED
Light in **Matte White**

Remote Control

- 6 speed settings for your ceiling fan.
- Forward and reverse functions.
- Light on/off and light dimming support.
- Fan Off Timer - 1, 3, 6 or 8 hours.

Optional DC Wall Control with Companion Handset accessory is available (not pictured).
SKU: **DCW-SPD-52**

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.

DOWNRODS	NON-LIGHT	WITH LIGHT
36 inch (90 cm) Downrod in Black	DR3-36BL	DR3L-36BL
