- ✓ **Reversible Palm/Bamboo blades** offer added choice for your tropical oasis, providing elegant cooling while capturing the essence of the tropics.
- ✓ **Moulded tropical blades** are crafted from polymer (a high-grade plastic) which are durable, easy to clean as well as being safer and quieter than metal blades.
- ✓ **Optional 8W Uplight Models** are available, providing soft ambient illumination that enhances the atmosphere of any room, so you can set the perfect mood.
- ✓ **Highly efficient airflow** made possible by the energy-efficient DC motor, using only 39W on high and as little as 7W on low so you stay cool for less.
- ✓ **Enjoy whisper-quiet cooling**, thanks to the combination of a silent DC motor and premium polymer blades, so you stay cool with less wind and fan noise.
- ✓ **24W 3CCT Dimmable LED Light Kit** is available to add to the Tropicana DC ceiling fan, for those times you need your ceiling fan to also be a light source.
- ✓ **Suitable for both Indoor & Outdoors (undercover)** so you can maintain your decor style from your living room through to your alfresco outdoor area.
