LED Light

✓ **Add subtle elegance to any space** thanks to the Kute DC ceiling fan's small motor housing and elegant blade shape. Available in 5 different finishes, it includes a remote control and has an optional LED light kit available.

✓ **Kute by name and cute by design**, the Kute ceiling fan has been carefully crafted with a tiny motor housing—only 14cm at its widest point and tapering down to 11cm—for a stunningly subtle and discreet design.

✓ **Long-lasting & weather-resistant polymer blades** are durable, easy to clean as well as being safer and quieter than metal blades.

✓ **High performance DC motor** takes energy efficiency to the extreme, using only 30W on high and as little as 4W on low so you stay cool for less.

✓ **Enjoy whisper-quiet cooling**, thanks to the combination of a silent DC motor and premium polymer blades, available in 44" and 52" sizes for small to medium spaces.

✓ **Perfect for both Indoor & Outdoors¹** so you can maintain your decor style from your bedroom to your living room through to your alfresco dining area.

¹ Satin Brass finish is recommended for indoor use only

FAN PERFORMANCE

Fan Speed (H:6/M:4/L:1) (Revolutions Per Minute)	170 / 120 / 50 RPM

Remote Control

The Kute DC ceiling fan includes a stylish 6 speed remote control as standard.

- Enjoy 6 speed settings for your ceiling fan.
- Forward and reverse function for year-round comfort.
- Convenient fan off timer function built in.
- Light on/off and light dimming support.

Smart Ceiling Fans

Transform your ceiling fan into a Smart Ceiling Fan with the Bond Bridge and control your ceiling fan and light through Google, Apple and Alexa Voice Assistants and from your smart devices.

SKU: BD-1000

Accessories

LED Light Kit

Optionally add a 14W LED Light Kit (4000K) that support dimming to your Kute ceiling fan.

SKU: KUTLEDWH

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.
